Bill,

Attached is the employee listing that you requested for August 23rd, 2014 and a cost worksheet. We had to compile a list of every employee with the Dawson County Sheriff's Office and then go back and figure out who was on duty and who had the day off.

Please note the following abbreviation's: AD (administration), CID (Criminal Investigations Division), DC(Detention Center), E911(911 Center), SS(Sheriff Services), and UPD (Uniform Patrol Division). If there is anything else that I can assist you with please let me know.

Thank you,
