Have you actually been awarded 501(c)(3) status from the IRS yet?

Bill Simon That's great. Do you happen to have a physical address so that I can visit and review your Form 990 that was filed with the IRS to grant you this status?

OR...if that is not a convenient thing to plan, is it possible to email me that application? Since you are truly a 501(c)(3) organization, the IRS requires you to provide this document upon request.
